1962-63 PRICE LIST

QUALITY, SERVICE . . . OUR ONLY CLAIM TO FAME

Orange County Nursery is now in its 75th year of growing fine trees for discriminating customers everywhere. Proven methods and materials applied by specialists - your assurance of highest quality "built - into" every tree.

OC Nursery trees are grown in areas of California best suited to particular varieties. These growing locations are chosen with great care after soils and water are laboratory tested.

Order early to obtain the finest in shade and productive fruit trees...

APPLES? YES! 19 VARIETIES

Grown under exacting conditions in areas long known for producing the finest quality. Order yours now to be sure of variety and quantity needed for your particular needs.

See page 6 for Armstrong's patented Pettingill Apple.

April 18, 1962

Oki Nursery, Inc.
Post Office Box 7118
Perkins Branch
Sacramento, California

Gentlemen:

Orange County Nursery Proudly announces the designation of Oki Nursery as one of its' Northern California Distributors.

The historic expansion of Oki Nursery along with the great economic growth of California has received national attention. We desire to participate in this great expansion.

Increasing consumer interest, improved product development and new marketing concepts pose a great challenge to our industry. We know that Oki Nursery accepts this challenge, as do we.

We submit that the success achieved by Orange County Nursery has been in great part, due to product acceptance by our friends to the north.

It is our wish that Oki Nursery enjoy even greater success and that their interest in quality of product and service continue.

Yours very truly,

ORANGE COUNTY NURSERY, INC.

Post Office Box 7118, Perkins Branch - Sacramento, California - Telephone EMpire 3-2613

1962 - 63 Season

Dear Customer:

Oki Nursery is proud to announce that commencing this year, we will be working hand in hand with Orange County Nursery Company of Norwalk, California in the production and merchandising of bare root stock.

Orange County Nursery has been producing quality nursery stock for 75 years. Their proven methods of production in the best growing area of California have established them as one of the leading bare root producers in California. This new growing arrangement will allow Oki Nursery to maintain the high standards of quality bare root for which it has been known since 1904.

Our salesmen will be more than happy to assist you in placing your 1962-63 order, or feel free to return the attached order sheets to us when placing your order. Oki Nursery will pay the postage.

We, here at Oki Nursery, are confident that you will find this new arrangement very satisfactory and we are looking forward to serving you during the 1962-63 bare root season.

Sincerely,

OKI NURSERY, INC.

George S. Oki

George S. Oki

GSO:mmi

- ▶ Price rates apply to specified varieties, not combinations.
- ▶ Add 20¢ per tree when ordering less than ten trees of one variety. This applies to 3/4" size and under.

All patented varieties of plants are being handled under license from the patent owner.

This List Supercedes All Previous Bare Root Lists

**PERSIMMONS**

Leader in the production of Hachiya, Fuyu and others, Orange County Nursery can fill your needs whether commercial or for home planting. Skill and experience provide the answer to production of these high quality, heavy producing persimmons. The popularity of this fruit is ever-increasing. Order now and receive the finest trees in today's market.

Warranty

The Orange County Nursery, Inc. and Oki Nursery, Inc., exercise the utmost care to keep all varieties true to name. However, every sale is made subject to the condition that should any stock sold by them prove to be untrue to name, the liability of the Orange County Nursery, Inc. and Oki Nursery, Inc., shall be limited to the sum actually received by it for such stock, and in no event shall it be liable for any greater amount.

**PEACHES**

Freestone, clingstone, fruiting-flowering... over 30 varieties of proven productive capabilities. Our list provides a selection of trees covering the full range of climate, soil and other factors for orchards or home growers. For peaches or any other fine fruit trees with "built-in" quality... look to Orange County Nursery.
